Below is a text written by HPS Maxine

I'm writing this basically for members. It seems the slander and lies mainly Jews and their lackeys have been plastering all over the internet about me is bewildering. As for myself, this crap has been going on for over five years now and I just ignore it. It certainly hasn't done any to the Joy of Satan. We now own the largest Satanic e-groups by far on the internet, with a total of over 14,000 members in all nine e-mbined. [As of July 2008, we were getting close to 20,000 in all Joy of Satan e-groups combined, but we were hacked]. Joy of Satan ves over 9,000,000+ hits on all of the JoS webpages combined in any given month. The front page of the Joy of Satan main website has received well over 2,000,000+ hits alone.

"I place my affairs in the hands of those whom I have tried and who are in accordance with my desires."

From the Al Jilwah

Amdusias told the JoS Ministry in 2003:

"Just as the enemy has people who cannot see us, we cannot see them. However, they will manifest blatantly as we get closer to the climax of our cause."

At the time, I thought he was referring to Christians. I had no idea the enemy would be within our own ranks. The "split" amongst our former clergy that JoS enemies forever rant and rave about served to weed out the dross. Satanism is not for the weak

Now, not to digress, there have been certain individuals who have been impersonating me online. This was brought to my attention. Certain

enemy individuals [who are completely and totally obsessed with me to where I am all they think about and devote a large portion of their time to] have gotten onto "instant messaging" and such and have pretended to be me. I am sure this diverts their attention away from their own pathetic and pitiful life and they can live vicariously. Anyways, the truth is, I am exceptionally busy. I never go into "chat" rooms, I have never used "instant messaging" or "AIM" in my life and I can barely keep up with my own e-mails. Many of my e-mails, I have to delete because it is physically impossible time-wise to reply. I am a slow typist. In addition, I DO NOT TELEPHONE ANYONE, NOR DO I SEND PEOPLE E-MAILS UNLESS THEY E-MAIL ME FIRST, AND ONLY IN REPLYING!

My point here is, that if anyone receives any messages such as the above claiming to be from "Maxine Dietrich" you can rest assured they are phony and definitely not me. I am far too busy and I am not what anyone would call "social." I don't use 'Facebook'. I don't use 'Twitter' or anything else; only the Joy of Satan Website, and my own e-mail with which I post to the JoS e-groups

Now, it is obvious I am a threat or so much attention and time would not be devoted to me. There is a book "The Secret History of the Jesuits" by Edmond Paris; translated from French, in 1975, that sums up this situation. The Catholic Church is and always has been run and operated by Jews. The late Pope John Paul [Jew] was Johnny on the spot [no pun intended] when the Jews *demanded* an audience with him. It is obvious who lines their pockets with money and unlimited power. I also know after doing research and being raised as a Catholic myself, that the high-ranking clergy of the Catholic Church are and always have been predominantly of Jewish blood.

Here is an excerpt from the book "The Secret History of the Jesuits" by Edmond Paris:

The Jesuits secretly and relentlessly worked toward two major goals for the Roman Catholic Institution:

About the author "Edmond Paris":

"Universal political power"
"A universal church in fulfillment of the prophecies of Revelation 6, 13, 17 and 18."

"In exposing such a conspiracy, he put his life at stake." "Edmond Paris never knew me, but I knew him without meeting him personally when I, with other Jesuits under the extreme oath and induction, was being briefed on the names of institutions and individuals in Europe who were dangerous to the goals of the Roman Catholic Institution. His name was given to us."

"The Edmond Paris works on Roman Catholicism brought about the pledge on the part of the Jesuits to:

2) Destroy his reputation, including his family3) Destroy his work."

-Dr. Alberto Rivera [Ex-Jesuit Priest]

they will work to keep you financially broke, as the Jews control all of the economy. As of October 2010:

This is the same crap they are trying to do to me. What they didn't include is how the Jews forever use money as a tool. You oppose them and

Satan has always been really strong on me personally about 'having faith.' The reason for this is Satan has known many things I had no idea about at the time they were occurring, and many more. Things that made no sense to me in the past years are now being revealed. Way back in 2003, when the JoS was only a year old, the enemy sent infiltrators, [more than likely connected with the ADL] to try to get on the

inside. Many of you know about Melissa Cloer who tried to get on the inside. She came to Tulsa to meet me, stating she was a 'yoga instructor.' When we went back to her hotel room, I sat down on the floor into the splits. Melissa winced and asked me 'Doesn't that hurt?' Since when would a yoga INSTRUCTOR ask such a STUPID question? Later on, I became REAL sick with the flu. I couldn't understand why I was so sick at that time. This saved my life. Satan was protecting me. I now know that bitch was aiming to murder me. In spite of my being so sick, she was pressuring me to come and visit her- sick as I was, in Oklahoma City. She even was so desperate to say that if I got real sick, she would take me to the hospital. I stayed at home, OBVIOUSLY. Then the shit began to be blatant. She was dying anyway. I remember when I first met her, she was 35, bright, cheery and healthy. Within a month she came down with severe

multiple sclerosis and was dead within six months, crawling around on the floor of her home in circles before she died. Her kitchen mysteriously caught on fire [Demons] and she fell down the stairs trying to get to put it out.

Then, within the past couple of months [October 2010], several sources have come forward and stated that traitor Dann Stafford who was a Joy of Satan High Priest at one time, accepted a bribe totaling in the six digits, to try to destroy me and the JoS- WAY BACK IN 2005 [OBVIOUSLY THE ENEMY WAS PLENTY WORRIED AT THAT POINT]. The enemy targeted him because he was on the inside. He failed miserably and didn't live long enough to enjoy his wealth. I also heard towards the end of his life, he turned to jewsus christ in desperation. Total FOOL. In 2006, the enemy hooked up a bomb underneath my car [just oozing with Christian love]. One who was known to be involved was caught and

is now serving life, on many other charges as well. I am sure Demons are seeing to it he doesn't have a country club stay in prison. As I revealed before, on April 30th, 2004, Satan told me that night: 'There will be many attempts upon your life. Some of these you will be aware

of, most you will not. None of these attempts will succeed. One more thing you can be sure of- they will all know ME.' There is endless slander and lies about me all over the web. I could give a shit less. One individual, Joe Swift, another traitor who has been ering me, has been openly stating how 'vicious' Demons are. This right here says it all, about that individual, and where he is at with the

Powers of Hell. I was also informed that a woman who claimed to be a "High Priestess" did a ritual to put a deadly curse on me. She wound up in the hospital in a coma.

This is WAR. Anyone who is actively fighting the enemy can expect to be slandered and much worse. Look at the centuries of horrendous lies and slander the enemy has been promoting about Satan and his Demons. Has there ever been anyone in all of history who has endured more denigration and slander? ANYONE????? NO!

Then, we have how the fucking enemy plays upon peoples' unknowing [as usual]. Here is a reply I sent to someone who asked about that 'plagiarism' allegation about me on the web. I don't care to re-type all of this so here it is for people who have read this bullshit and are

They are liars. The worst is the bitch that stole my astrology degree writings, this was much of my own research. I cite references. Also, yes, I saw the article and the idiot who wrote it doesn't know what 'plagiarism' really is. Plagiarism is copying word for word, longer than sentences and

books cover to cover. JoS has a full reading list of the bibliography of references. Also, references are cited beneath most JoS articles where they were accessed as

A blatant example of this is Anton LaVey's Satanic Bible which was copied word for word in many parts from the book 'Might is Right.' I read both

make and model of a car, and everything else. This bitch also has no idea as to what 'reference material' is and what it is for.

Nearly every written scholarly text has references. Mine is no different on many topics that I wrote about. Also, things like incense, candle colors, and such are common occult knowledge that dates back centuries, such as frankincense being of the sun, the color red being of mars, etc. Nearly any book on the subject will read the same in regards to certain things. Kikes like that bitch who wrote all of that slander know how to twist and

In closing, I will NOT run. I will NOT move for the fucking enemy. If people would open their eyes, enemy attacks are full of valuable feedback of

The Jewish bitch that wrote the slander plays upon peoples' not knowing anything of copyrights, what plagiarism really is, and other bullshit. This

t also states much incorrect information such as one cannot improve upon an idea. If this were truly the case, there would only be one

It is all over the internet that myself and my husband Clifford Herrington [YES, he is a very high profile Nazi and has been so for over 40 years] engaged in sexual intercourse with minors. THIS IS NOTHING BUT SLANDER AND AN OUTRAGEOUS LIE!!! Neither myself, nor Mr. Herrington has ever had ANY sexual relations or even anything close to it with any minor. My sex life is not any of anyone's business, but I will reveal here, I

have always preferred men who were older than I am. Sexual intercourse with young men is repulsive to me and a total turn-off.

Now, to straighten out more of the lies about me:

research material.

In 1988 Herrington married again, to a Nazi woman who he met through an Aryan dating service, who goes by the name of Andrea Dietrich, and also an alias "Maxine Dietrich," and she became his mail order bride. No, we did NOT meet through any "dating service." I wrote to Cliff for some information as he was the head of the National Socialist Movement [Nazi Party]. That is how we met. My first name is Andrea. Friends and family have always called me by my middle name "Maxine."

Andrea has a darker complexion than most white women in the Nazi movement who claim Aryan ancestry, with darker than normal skin, black

is this LYING Christian Preacher Johnny Lee Clary is nothing more than a pawn of the Jews and will do whatever he is paid to do like most Christan ministry- he spreads nothing but lies. Below are more lies from 'Johnny Lee Clary'.

She showed up in Tulsa, Oklahoma at the airport dressed in a Nazi uniform, with her little boy who is half non-white, who she also dressed in a

No, actually, I am rather pale. My hair is dark brown, naturally. My eyes are not "dark." I could really care less what I look like, but my point here

Nazi uniform, disembarked from the airplane and "Sieg Heiled" her new "Fuehrer." I would think that airport security would have had a field day and I would have been incarcerated for this. This is total nonsense. BTW, my son is white. He is part Middle Eastern, but is of white ancestry on both sides. This just shows who the real "racists" are.

Herrington is a Jew according to her so why is she married to him? BECAUSE HE'S A SATANIST. Sorry, Cliff is not a Satanist. He is non-religious. He is also NOT a Jew. The Jews forever try to say their enemies are Jewish, which is not only

Now, we go to "Citizens against Hate" actually, given the endless slander, venom, and hatred spewed from this website, it should be called

It's actually really sad because her daughter was showing an interest in Christianity, at least angels, and stuff like that, and she FLEW off the handle, she forced her daughter to do Meditations and dedicate herself to Satan.

Christians who refuse Satanism in their homes. This is my right as a parent.

AGAIN, another LIE. I have never pushed Satanism on any of my kids. All three are non-religious. "forced her daughter to do Meditations" ?????? Now, I wonder how that can be done. Even masters of meditation have trouble meditating at times, let alone "forcing" someone to meditate. That

one is impossible. Also, we come to Satan only through free will, there is no coercion as with Christianity. No one is ever "forced" to perform the

dedication. None of my kids have dedicated themselves to Satan. As for Christianity in my home, I forbid it. This is no different from the many

A couple of years ago, Andrea sent an e-book to all the clergy and demanded that they read it. The book was a how-to build a bomb manual. She said that they all needed to know what to look for as they were making some people very angry. She further told them that Clifford had already had a bomb placed in his car while it was parked in their driveway, saying that he saw the wires coming out of the gas tank.

The LIES here are so far-fetched, that it is beyond belief. No, I never sent any bomb-making manual to anyone, nor did I tell anyone to read

anything like this. As for the bomb put underneath our car in a murder attempt, this was done in a Wal-Mart parking lot, on June 30th of 2006. I did mention to the JoS ministry that they should be aware of anything suspicious as we had gotten several death threats, but this whole thing of manuals is grossly twisted and exaggerated. Wrapping all of this shit up, as it is endless, yes, I tell the truth about the Jews. I take the hard line against the enemies of Satan and it shows.

For those of you who think Satan is ok with the Jews, this is something to give some consideration to in thought. The entire Judeo/Christian bible was written by and is a huge benefit for the Jews. It contains nothing but stolen and twisted material from Gentile Pagan religions. It is chock full of Jewish slander against Satan and the Gentile Pagan Gods. It has enabled the Jewish people to obtain privileges they are not entitled to, such as the State of Palestine of which they STOLE based upon the history they claim [which is entirely

"Jesus" another fictitious character is a Jew. The entire bible is nothing more than a fictitious history of the Jewish people and a powerful subliminal tool of Jew conquering Gentile from beginning to end, where their "messiah" finally appears on the scene to "judge the Gentiles" and unite the Jewish people as rulers of the earth over a Gentile slave state. Even the Jewish rabbis know Satan hates the jews.

Also very revealing are numerous quotes from Jewish Rabbis about how the Jews view Satan "Satan" means "Enemy" in Hebrew.

fictitious] in the bible.

Satanism is NOT Christian "love." Fools who insist Satan is ok with the Jews need a serious reality check. The root of all vicious slander against Satan, who is our True Creator God, is Jewish. Anyone can criticize Christians, Muslims, any religion or people, but heaven forbid anyone says one bad word about the JEWS! THE POINT IS, THAT YOU CAN'T EXPOSE THE LIE OF CHRISTIANITY WITHOUT EXPOSING THE JEWS. I also want to add, that it is obvious I am doing what Satan wants, as opposed to some idiots who ignore the blatant and claim otherwise. On

6/6/06, the 666 Black Sun e-group hit 666 members shortly after midnight. On Halloween of 2006, the Teens for Satan group hit 666. Joy of can has the largest membership in the history of the internet. I have seen websites and groups that were blatantly against us and stuck up for the Jews disappear. They come and go. I also want to add, the JoS website is for Satan. I do not have endless articles slandering other Satanic groups, yet the Jews work to create Satanic disunity from within. I am doing my job and it shows.
